U.A.C. Awards Scholarship For Technical Training

Emmanuel Abura, aged 15 years of Benin City, is the winner of the first scholarship to be awarded by the United Africa Company to a Nigerian for Technical Training. He will attend a four years course at the Junior Technical Department of the Yaba Technical Institute.

Emmanuel who was born at Iruin in Ibadan Division of Benin Province, received his elementary education at S. Paul's School, Ubatu Metta, Lagos. His father is a member of the staff of U.A.C. Motors Department, Benin City, and has been with Company for fourteen years.

The United Africa Company provides many Scholarships each year to the sons and daughters of members of the Company staff, active and retired, at any number of approved secondary schools. The value of each award depends on the cost of education at the particular establishment and covers board and lodging, tuition fees, books and fares.

OWO KORENSI TITUN FUN ILE AFRIKA TI IWO ORUN

Last year, in October 1952, we here at the office of the Nigerian Council for Africa, Lagos, were very pleased to have received from the United Africa Company a grant of 100,000 shillings for the purpose of providing technical training for Nigerian students in Africa.

At the time of the grant, it was our intention to award the grant to the United Africa Company for the purpose of providing technical training for Nigerian students in Africa.
