NIGERIAN TOBACCO COMPANY LIMITED

Nigerian Ports Authority
VACANCY -- ELECTRICAL ENGINEER

Applications are invited from suitably qualified candidates for appointment to the of Electrical Engineer in the Engineering Department of the Authority.

QUALIFICATION:

Candidate should possess a degree, or as a minimum, Higher National Certificate, in heavy electrical engineering and should be a Graduate or Associate Member of the Institution of Electrical Engineers. Candidates must have served a full term of apprenticeship with a recognised electrical organisation and have had subsequently at least two years experience on one or more of the following :-

- H.V. and M.V. distribution systems
- A.C. and D.C. motors
- Ship's Electrical systems
- Electrical Cranes.

A working knowledge of radio telecommunication would also be an advantage.

DUTIES:

The successful candidate will be responsible to the Senior Electrical Engineer for assisting in the design of electrical extensions and also for the general operation and maintenance of electrical equipment in the various Port areas.

SALARY:

Salary Scale 4 (b) : £1,350 x 56-£1,742 x 18-£1,760 x 55-£1,815 per annum. (Efficiency bar for those holding Higher National Certificate or Diplomas at £1,686 per annum). Overseas Pay where applicable.

METHOD OF APPLICATION

Application forms are obtainable from the Personnel Manager, Nigerian Ports Authority, Apapa Dockyard, and should be completed and returned so as to reach him not later than 28th of February, 1962. Candidates in the service of the Government or a Corporation must submit their applications through their Heads of Department who will forward them to the Personnel Manager along with Confidential Reports. Persons without requisite qualification and experience need not apply.
