We Are Bankers In London and Nigeria

We are one year old in the ancient British City of London.
The first and only existing Nigerian owned Banking Company established in London.
We are Nigerian and within one year we carry on that national banner which is the name "NIGERIAN" in London.
We are now well known in Great Britain and other parts of the world.
Our Trade and Information Department and Nigerian Agency sections can supply you all particulars you may require in Great Britain.
True nationalists support business of their own country which is supreme pride to them.
From our windows in London we greet all our Nigerian customers, wishing them a PROSPEROUS NEW YEAR.
