Building for HIS future

THE UNITED AFRICA COMPANY looks to the future. It is using the money it makes through trade with West Africa to develop commercial and industrial operations in West Africa. During the last five years it has put back into West African enterprises, in the form of buildings, roads, plant and machinery, more than £10 million. In this way The United Africa Company is enriching West Africa's economy, raising her standard of living, and providing innumerable openings in industry or commerce for tomorrow's citizens.
