Family links with THE UNITED AFRICA COMPANY LIMITED

Recording some of the many families who have found inter-
esting and worthwhile careers with the U.A.C.

On one of his trips up-river over 50 years ago, Mr. Gunn, then Agent of the Royal Niger Company, engaged as his steward a farmer's son and that is how the Tawari family began their long association with the Company. Gunn Tawari Adele was later apprenticed as an engineer. He made good progress, gained promotion and served with distinction as Chief Engineer in a number of river boats. Gunn Tawari Adele was one of the first Nigerians to be presented with a Gold Watch. Three sons, a grandson, a brother and two nephews also took up careers with the Company, and so far the family can boast of 127 years' service. This proud record gives the Company great satisfaction.
