Ekwuyasi's Faux Pase

Over the week-end, Mr C. N. Ekwuyasi, N.C.N.C Chief whip in the Western House of Assembly announced over the Radio that he had tabled a motion calling on the Western House of Assembly to recommend at the 1956 Constitutional Conference the creation of a Mid-West State.

If Mr. Ekwuyasi had been following the contemporary affairs in Nigeria he would have read the 39th paragraph of the Presidential address of the Leader of the Action Group which was delivered at Ibadan Action Group Conference on 26/10/55. The paragraph reads, "If we want to preserve the unity of Nigeria we can only press and press hard for the creation of States or Regions at the 1956 Conference"

Then follows a list of the five States and the second on that list is 'The Mid-western or Benin-Delta State.'

The fact that Mr Ekwuyasi is tabling this useless and unnecessary motion shows one of two things. Either the N.C.N.C legislators at Ibadan Western House of Assembly have now completely lost all legitimate grounds on which to base their opposition or they so lightly bear the responsibilities with which they are saddled that they do not even care to read their papers.

In either case, the tabling of this motion condemns the N.C.N.C as a pack of irresponsibles.
