DEVELOPMENT FINANCE COMPANY FOR NIGERIA

A further important step towards the establishment of the Investment Company of Nigeria Ltd. took place on 16th July, 1959. The steering Committee, whose appointment was announced on 1st July, held its first meeting under the chairmanship of Mr. J.H. Belsham.

The Committee considered drafts of the formation papers of the Company and they took a number of important decisions on the constitution of the new Company, the procedure for its formation and the manner of securing capital subscriptions.

They were assisted in their deliberations by Mr. B. Berkoff, a representative of Commonwealth Development Finance Company Ltd., who flew to Lagos from London for the meeting.

Solicitors in Lagos and London will now revise the formation papers in accordance with the instructions of the steering Committee so that the Company may be registered and commence business at an early date.
