Electricity Corporation Of Nigeria

TENDER FOR OIL TANK BUNDS

IJORA 'B' POWER STATION

The Electricity Corporation of Nigeria invites Tenders from suitably experienced Contractors for the construction of an earth bund and drainage works at Ijora 'B' Power Station. Previous experience in constructing earth embankments and laying large diameter storm water drains is an essential qualification, and applications for Tender documents must be accompanied with details of the Contractor's experience in carrying out work of a similar nature — failing which the application cannot be considered.

Applications should be addressed to the Secretary, and the closing date for receipt of applications will be 30th July, 1960. Applicants who satisfy the Corporation of ability to execute the work satisfactorily will be notified and may then apply for Contract documents which will be obtainable on payment of a deposit of £5, to be refunded on receipt of a bona fide tender.

Tenders must be enclosed in a sealed envelope marked "Confidential — Tender for Oil Tank Bunds and drainage at Ijora 'B' Power Station," and addressed to the Secretary, Electricity Corporation of Nigeria, Electricity Headquarters, 13 Broad Street, Private Mail Bag 2030, Lagos.

The closing date for receipt of Tenders will be 20th August, 1960. The Electricity Corporation of Nigeria will not be bound to accept the lowest nor any tender.

George W. Nicol
Acting Secretary to The Corporation
