Purchasing Of Palm Produce Suspended

It has been announced by the Nigeria Oil Palm Produce Marketing Board that purchasing of palm oil and palm kernels will be suspended in the Western and Northern Regions for the period midnight 25th June 1953 to midnight 2nd July 1953.

The one week's suspension of purchasing is part of the preparatory arrangements made by the Marketing Board in connection with the collection of Produce sales Tax which becomes effective on the 1st July, 1953 and for which Tax Marketing Board is accountable to the Western and Northern Regional Treasuries.

This brief moratorium on purchasing is to enable the Produce Inspection Service to complete grading of all ungraded purchases in the Western and Northern Regions before the new Tax comes into operation.

The Eastern Region is not of course affected by these arrangements as the Produce Sales Tax legislation does not presently apply to the Eastern Region.

Publ c Holidays For Moslems

By custom and tradition the celebration of Moslem Festivals is governed by the appearance of the new moon and it is not possible, for this reason, to foresee with absolute certainty on what dates Moslem Festivals will actually be celebrated. It has therefore been decided that the celebration of certain days as public Holidays in connection with these Festivals must be based on calculation of the dates.

Under the Public Holidays Ordinance His Excellency the Governor has therefore declared that the following days in 1953 shall be kept as public holidays in connection with the Moslem festivals shown below:-

Id el Fitr: 15th and 16th June
Id el Kabir 21st and 22nd August
Id el Maulud: 19th November.
