Coker Commission :

Awo And His Men To Refund £85,000

CHIEF Obafemi Awolowo, Leader of the Action Group, Chief Akinola Maja, Chief T. A. Doherty, Mr R. A. Allison, Chief Shonibare " and others" are to refund the £850,000 paid to the National Investment Properties Company by the Western Nigeria Goverment for the purchase of Moba Land.

The Commissioners who investigated the affairs of six Corprations in Western Nigeria ruled in their report which was published recently.

The Commissin hed found in the section of its report dealing with the Western Nigeria Housing Corporation, that a few days after payment, the amount was paid over to Chief Lenlehin for the Action Group.

The Commission found:

(1) that this Corporation, which was established for the purpose of increasing the availability in the Western Region of dwelling houses to members of the public and of industrial estates for purpose of industry, was doing useful work;

(11) the it was wrong of the members of the Corporation to have resolved to grant loans to themselves at 5 per cent interest instead of the 6 per cent payable on building loans made to Corporation staff and the 7 per cent charged to members of the public;

(111) that the Corporation's reasonable policy of "one man, one plot" had been abused by certain individuals, chiefly Mr. Alfred Rewane, who had acquired an excess of three plots, and

(IV) that the acquisition of the Moba land was highly irregular and indeed fraudulent.

ACQUISITION OF MOBA LAND :-

The commission found:-

(1) that the Moba land was first purchased by Dr. Maja and Chief Doherty under a conveyance dated October 10, 1958, for £11,000 from the Onikoyi family who were the original owners of the land under customary law.

Six weeks thereafter, the land was sold under a deed of conveyance dated Novenber 23, 1958 to Mr. R. A. Allison for £150,000 some eight onths thereafter, the same land was sold to the National Investment and Properties Conmpany Limited for over £718,000 under a conveyance dated July 4 1959;

(11) that at the request of the Western Nigeria Housing Corporation the Regional Ministry of Lands and Housing decided to acquire the whole of Moba village land including the portionsold to the National Investment and Properties Company Limited, and instructed Messrs Gleave and Fox, who had earlier been retained for the same purpose by the National Investment and Properties Company Limited to value it;

(111) that this firm put a value of £850,000 on the National Investment and Properties Company Limited interest in Moba on certain conditions, but without seeing that those conditions were satisfied, the Regional Government paid this amount to the National Investment and Properties Company Limited.

Tenders are invited from lorry transport contractors normally operating in Port Harcourt for carrying out the following works for the period of one year:-

(a) conveying produce on a tonnage basis by suitable flat lorries from Arcon Sheds and Warehouses in Port Harcourt Quay to ships' side within the area of the Quay or from ships' side to the Arcon Sheds and Warehouses within the same area;

(b) the supply of suitable vehicles up to and including 10 tons capacity on a time basis for work either within or outside the quay area other than for the purpose covered in (a) above.

2. Requisitions for lorries will depend on the needs of the Dock Superintendent which will fluctuate considerably from day-to-day but contractors must be able to meet requirements at all times.

3. No labour will be required of the contractor to load or off-load produce and this fact must be borne in mind when quoting rates.

4. Contractors interested should apply to the undersigned or to the Port Manager, Nigerian Ports Authority, Port Harcourt, for the Form of Tender including the draft of the Agreement which will be entered into.

5. A deposit of £10 is required to be made by each contractor wishing to tender before the Form of Tender can be issued. Such deposit should be made to the Authority's Cashier either at Apapa Quays, Lagos, or at Port Harcourt Quay, Port Harcourt and the receipt presented to either the undersigned or to the Port Manager, Port Harcourt, to enable the Form of Tender to be issued. Deposits are returnable only on receipt of a bona fide tender.

6. All tenders irrespective of where the form has been obtained must be enclosed in sealed envelopes, marked "CONFIDENTIAL-TENDER FOR LORRY TRANSPORT, PORT HARCOURT" and must be submitted to the Secretary to the Authority, 216, Broad Street, Lagos, to reach him not later than 4 p.m. on 31st day of January 1963.
