## Federation Of Nigeria Second Development Loan

Adv. 20.

The Central Bank of Nigeria have been authorised by the Federal Minister of Finance to raise in Nigeria a Federal Government loan of £10,000,000.

The Stock to be issued will be :-  
**£2,000,000 Stock FEDERATION OF NIGERIA SECOND DEVELOPMENT STOCK 1967.**  
**£4,000,000 5 1/2% FEDERATION OF NIGERIA SECOND DEVELOPMENT STOCK 1977.**  
**£4,000,000 6% FEDERATION OF NIGERIA SECOND DEVELOPMENT STOCK 1985.**

Interest, which will be paid half yearly on the 22nd September and 22nd March, will accrue at the rates shown above and repayment will be made as follows :-

5 1/2% Federation of Nigeria  
 Second Development Stock, 1967 - on 22nd March, 1967.  
 5 1/2% Federation of Nigeria  
 Second Development Stock, 1977 - on 22nd March, 1977.  
 6% Federation of Nigeria  
 Second Development Stock, 1985 - on 22nd March, 1985.

Application lists for the loan will open on the 22nd FEBRUARY and close on 22nd MARCH, both dates inclusive. Applications must be in multiples of £10 and can be made only on the special forms available at banks throughout the country. Application for different stocks must be made on the different application forms provided.

The stocks will be issued at par and payment in full must be made with application (i.e., £10 must be paid for every £10 of stock applied for). Receipts will be issued for payments and will later be exchanged for Stock Certificates. If desired, payment may be made by means of a draft on a United Kingdom bank but payment in this way may be made only to the Central Bank of Nigeria direct, accompanied by the relative application form.

Notification of allotment will be made direct to subscribers by the Central Bank of Nigeria as soon as possible after 22nd March and stockholders will be advised at the same time when to collect their Stock Certificates from the banks where they submitted their applications.

Pending the operation of a stock Exchange in Lagos, prospective buyers and sellers of the stock should, after allotment has been made, approach their own bankers who will set in touch with the Central Bank with a view to effecting a market. Further information can be obtained from the prospectuses available at banks on and after 22nd February Central Bank of Nigeria.

## Nigerian Ports Authority:

### VACANCY - CHIEF DRAUGHTSMAN (INSTRUCTOR)

Nigerian Ports Authority has, in its Engineering Department, a vacancy for Chief Draughtsman (Instructor) for which applications are invited from suitably qualified candidates.

### QUALIFICATIONS:

Candidates should have had at least ten years experience in a Senior position of either Deputy Chief Draughtsman or Chief Draughtsman in a reputable Drawing Office; must be fully conversant with the day to day running of a Drawing Office. Knowledge of reinforced concrete and structural steel work design, and detailing, and building construction is essential. A recognised Engineering qualification will be an advantage.

### DUTIES:

The successful candidate will be in charge of the training of indigenous Draughtsmen and solely responsible for the running of the Authority's Drawing Office and responsive to the Deputy Chief Engineer.

### SALARY SCALE:

The salary scale for the post is the Authority's Scale 4 (b) £155/£185 per annum if an indigenous candidate is appointed. In the case of an Expatriate the appointment will be on contract terms at a Consolidated salary of between £1650 and £2115 per annum. First tour in either case will be on probation.

### METHOD OF APPLICATION:

Application Forms may be obtained from the Personnel Manager, Nigerian Ports Authority, Dockyard Apapa and should be completed and returned to reach him not later than 25th of March, 1961. Candidates in the Service of Government or Public Corporations should return their application forms through their Heads of Departments who are kindly requested to submit same along with Confidential reports.
