GOVERNOR-GENERAL'S OFFICE,
LAGOS. NOVEMBER, 1957.

The Fiscal Commission.

The Fiscal Commission returned to the United Kingdom on the 16th November, 1957 after a preliminary visit to Nigeria during which the Commission visited the Federal capital and the capitals of the Regions and the Southern Cameroons.

2. The Commission will return to Nigeria in late March, 1958, for a period of some six weeks, and will be preceded in January by the Adviser on Indirect Taxation. All persons [illegible] and organisations wishing to make representations to the Fiscal Commission are invited to submit them by way of memoranda (six copies of each) to the Joint Secretaries, Fiscal Commission, Governor-General's Office, Lagos. Memoranda should reach this address by the 31st December, 1957, at the latest, and they should only deal with matters falling within the terms of reference of the Fiscal Commission, which are set out in paragraph 57 of the Report by the Nigeria Constitutional Conference, 1957, (obtainable from the Federal Government Printer, price 1s. 0d)

3. Briefly, memoranda should deal only with one or more of the following subjects:—

(a) The division of the powers to levy Income Tax, Direct Taxes and Indirect Taxes between the Governments of the Federation, and the appropriate distribution of the revenue from such taxes between the Federal and Regional Governments.

(c) The adequacy of present arrangements for the co-ordination of loan policies, Governmental borrowings and capital issues.

Under its terms of reference the Commission cannot take any account of the possibility of the establishment of a new State or States as a result of the recommendations of the Minorities Commission. It is, therefore, precluded from considering any representations which envisage the establishment of any such new States.

4. After considering the memoranda which are submitted, the Fiscal Commission will decide whether it wishes to hear oral evidence from any of those who have submitted written representations.

5. All memoranda should bear the name and address of the originator.

Public Notice

Procedure To Be Followed By The Minorities Commission

To give the fullest opportunity for the expression of opinion on the issues before it the Minorities Commission will normally sit in public. The Commission will also, at their discretion, hear evidence and hold informal discussions in private. While the Commission wish to hear all shades of opinion on the matters at issue, it will not be practicable for them to hear separately the very large number of individuals who have asked to be heard. They therefore ask that persons with similar views should select common spokesmen for those views. By this means they hope to be able to inform themselves of all views relevant to their enquiry. Counsel may present a case if this is desired but no cross-examination will be permitted.

After a short initial stay in Lagos, the Commission's present intention is to visit and hear evidence in the Regions in the following order:

(1) Western Region
(2) Lagos
(3) Eastern Region
(4) Northern Region.

Details of the Commission's programme in each Region will be given from time to time by public notice.

(Sgd.) K. J. HILTON,
Secretary,
Minorities Commission.
