Yellow Fever and Smallpox Vaccinations and other Inoculations for persons intending to Travel by Air

Intending passengers by air from Nigeria to destinations outside West Africa must carry valid International Certificates of Vaccination against Yellow Fever and Smallpox.

In the case of inoculation against Yellow Fever for the first time, the passengers may not leave Nigeria until 10 days have elapsed since the date of inoculation. Passengers being re-inoculated may leave Nigeria immediately thereafter, PROVIDED THAT evidence of an inoculation, given not more than four years previously, is produced to the Inoculating Officer, AND THAT he certifies on the new certificate that it is a valid re-inoculation.

IMPORTANT ANNOUNCEMENT
As the season in Nigeria of Yellow Fever Vaccine have become dangerous, low and as new stocks are not expected for some considerable time, it has been found necessary to restrict the giving of Yellow Fever Inoculations.

As from 31st January, 1951, Yellow Fever inoculations will be given only to persons who urgently require them for the purpose of air travel. Persons travelling overseas by sea are strongly advised to obtain their inoculations, or re-inoculations while overseas before returning to Nigeria.

Yellow Fever inoculation of persons in the Lagos area will be given only in the PATHOLOGICAL DEPT., BROAD STREET, LAGOS, EACH SATURDAY MORNING AT 9.30 hours, only those persons will be inoculated who have, by letter or telephone, arranged for their inoculation with the Pathologist, Lagos, (Tel. Lagos 322) at least 24 hours before the time of inoculation.

SMALLPOX
Vaccination against smallpox should be performed at last one week prior to departure as the second part of the International Certificate requires that the vaccination also should be approved by the Vaccinating Officer on the 5th-7th day after vaccination. The certificate is not valid for more than 3 years from the date of issue.

In the case of re-vaccination, the passengers should report to the Vaccinating Officer on the 2nd day after vaccination. Vaccinations in the Lagos area are performed at the HEALTH OFFICE, BROAD STREET, LAGOS, between the hours of 9 a.m. and 12 noon daily (except Sunday and at the PORT HEALTH OFFICE, Lagos, between the hours of 9 a.m. and 10 a.m. daily except Sunday).

OTHER INOCULATIONS
Inoculations against Cholera, Typhoid and Plague may be obtained by request to the Pathologist 1/2 Pathology Department, Lagos, (Tel. Lagos 322) or by application to any Senior Medical Officer.

Ovaltine is essential in athletic training

The nutritional value and chemical content of 'Ovaltine' are of great importance in athletics.

They make 'Ovaltine' an essential part of athletic training programmes. It was officially recognized at the Olympic Games, held in Los Angeles in 1932, Berlin 1936, London 1948, and at the Empire Games in New Zealand 1950. 'Ovaltine' provides such essential reserves of vitalizing power in every walk of life. 'Ovaltine' is highly prized because it maintains that bodily energy which a Nation's self defence against attack must possess.

'Ovaltine' is easy to make—delightful to take. It is creamy, soothing but the delicious goodness of many nuts, eggs, barley and other naturally sustaining foods. It is a most energetic and refreshing beverage for so mild, last thing of all to be had before retiring. During the day of rest or on a long journey, it is essential to maintain a high level of energy in readiness.

I Would Be True

BY E. B. ADESOGUN

As I was rummaging among my books and peering into those of them which have to do with matters of philosophical and far-reaching order, I came across one dealing with character-building and right living. Not wishing to monopolize the moral lessons the fine poet of the golden dictionary inculcates, I then decided quite readily but without a moment's hesitancy to pass the arena around. I would "be true" to the world at large, more especially to my fellow Africans, may my countrymen get the gist.

I would be humble, for I know my weakness;

I would look up, as I laugh, and love, and lift;

I would look up and laugh, and love, and lift.

rules of life: HONESTY—the best policy, FAIRPLAY, EDUITY and JUSTICE. Here are the thought-provoking gems of perfect lesson.

I would be true, for there are those who trust me;

I would be pure for there are those who care;

I would be true, for there is much to suffer;

I would be brave, for there is much to dare;

I would be true, for there is much to date;

I would be friend of all she foe, the freeminded;

I would be giving, and loving, the gift;

I would be humble, for I know my weakness;

I would look up, as I laugh, and love, and lift;

I would look up and laugh, and love, and lift.
