RAILWAY Vs SCOA

Since the defeat of UAC by the Railway last Saturday in the Challege Cup Competition, the talk of the town is which team will represent the Federal Capital or capture the Pilot cup The question will be answered today when the two teams meet on our Local Wembley There is no doubt that Railway team stands a better chance. Rail's victory of 5-2 over UAC last weak is still fresh in our memory. A large number of fans have of late been impressed by Rails regular brilliant display and if they continue to improve upon their weapon of attack, they will eventually snatch both the Pilot Cup and the most coveted- NIGERIA CHALLENGE CUP.

As for the SCOA, they have got a formidable defence of Ifedira, Sulaimon and one Way Alabi Ntephe in the half line- but can they stop fast moving Ben, Ironkwe and Henshaw in the Rails forward line? The answer could be given in the affirmative provided they play cohesively and intelligently.

Many fans will be left to recall the popular saying "How are the mighty fallen" if either the Railway or SCOA win this cup match today May the better side win.

WELCOME REGIONAL TEAMS

The Regional Champions Portharcourt. (East), Warri (West), and Kano (North) will arrived in town next Wednesday. It will however be recalled that since the competition started, Portharcourt came to Lagos only once Warri twice and Kano thrice. The three teams will be lodged by the Nigeria Football Association.
