THE Board has earmarked on new scheme approved last March by the Federal Government for extending the present rehousing accommodation at Suru-Lere for slum displaced persons with 600 new houses of varying designs.

The Scheme will include two-storey flats and single-storey houses. They will be available, as usual, only to bonafide tenants displaced from Central Lagos The extra accomodation will help to increase the rate of removals and demolitions in the Slum Clearance area.

The Policy for tenancy of the Re-housing Estates remains unaltered and tenants are expected to vacate the premises as and when land is reconveyed by the Board.
