Family links with

THE UNITED AFRICA COMPANY LIMITED

Recording some of the many families who have found interesting, varied and worthwhile careers with The U.A.C.

The Osori family have a wonderful record of over 100 years' service with the Niger River Fleet. It began in 1885 when Yakubu Osori, a canoe poler, joined the Niger Company as galley boy. He passed many promotions and retired in 1941 with the rank of Captain — a distinction also attained by seven of his kinship. The present head of the family, ooo-ummedere Mamudu Osori, served 54 years before retiring in 1948. Fifteen members of this family have made careers with Niger River Transport. This strong link, unbroken for 65 years, gives the Company great satisfaction.
