Lagos, NIGERIA,  
20th JULY, 1925.

The Editor, "EKO AKETE."

DEAR MR. EDITOR,

Permit me through the medium of your invaluable paper to call the attention of "Keswick" Convention to the sad omission of special meetings for Boys in the Programme for this year. The foot note in the posters informs the public that Boys and Girls will not be admitted to the evening meetings. In lieu of this special meetings were arranged for Girls, but no such privilege was extended to Boys.

Far am I from suggesting any manifest disregard for the spiritual welfare of Boys and from regarding the omission as being in any way punitive; but I think attention should be emphatically drawn to this serious omission to prevent its recurrence and to enable all—men and women, boys and girls—equally to reap abundant spiritual blessings from the Conventions.

Arrangement for a Boys' Meeting to be held on Sunday afternoon is strongly but respectfully recommended.

Thanking you, Mr. Editor, for space allowed.

I remain,  
Yours sincerely,  
PEDAGOGUE.
