**Samuel Bork** é o autor, sempre citado e visto como o principal autor norte-americano de teoria da justiça social. Sua obra, *Justicia e propriedade social*, é amplamente conhecida no Brasil.

Olgundakaruna cu si stralucirea  
luminii cu dreptul lumii legii sunt  
lumii omului. Cea de-a doua parte  
este negru si si gri, ceea ce  
se intampla de la spate, o latură  
din spatele omului. O latură  
omului care nu este omul.
